## Footnotes:

- <sup>1/</sup> **Period Covered:** The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.
- <sup>2/</sup> **Electronic Filing:** In addition to paper reports, a committee must file electronically with the Secretary of State if, since January 1, 2000, the committee receives contributions or makes expenditures totaling \$50,000 or more. For more information, visit the Secretary of State's website at [www.sos.ca.gov](http://www.sos.ca.gov). Paper filings are also required except as described in footnotes 5, 6, and 7.
- <sup>3/</sup> **Pre-Election Statements/Supplemental Independent Expenditure Reports:** File the pre-election statements if contributions totaling \$1,000 or more are received or contributions or independent expenditures totaling \$500 or more are made during the period covered by the statement.
- In addition, supplemental independent expenditure reports (Form 465) may be required. Refer to Q&A's for additional information.
- <sup>4/</sup> **Extended Deadlines:** Because the January 5 and March 22 deadlines fall on Saturday, these deadlines are extended to January 7 and March 24, 2008, respectively.
- <sup>5/</sup> **State Ballot Measure Expenditures:** Committees required to file electronically must file this report each time they make contributions or independent expenditures totaling \$5,000 or more to support or oppose a single state ballot measure. No paper copies are required and no copies are required to be filed with other filing officers. Independent expenditures of \$1,000 or more made within 90 days before a state

election are required to be reported within 24 hours. (See footnote 5.)

- <sup>6/</sup> **90-Day Election Cycle Reports:** Committees required to file electronically must file this report if an independent expenditure of \$1,000 or more is made during the 90-day election cycle to support or oppose a state candidate or state ballot measure being voted on in the election. No paper copy is required and no copies are required to be filed with other filing officers.
- <sup>7/</sup> **Issue Advocacy Reports:** A committee must file this report if a payment or promise of payment of \$50,000 or more is made during the 45 days prior to an election for a communication that identifies a state candidate being voted on in the election but does not expressly advocate the election or defeat of the candidate. No paper copy is required and no copies are required to be filed with local filing officers.
- <sup>8/</sup> **Late Contributions:** "Late contribution" includes contributions totaling \$1,000 or more made by, made to, or received by, a state or county central committee during the 16-day period prior to **any state election**.

## Additional Notes:

- **Late Statements:** Except for deadlines that fall on Saturday, Sunday, or an official state holiday, filing deadlines may not be extended. Statements filed late are subject to a \$10 per day late fine.
- All statements are public documents.
